

## **Myers Briggs Type Indicator® for Individuals and Business Teams**

*International studies have demonstrated that knowing yourself and understanding how you best work with others is a key life and business skill. The Myers Briggs Type Indicator® (MBTI®) is simple but powerful psychometric tool that achieves both outcomes.*

---

Are you searching for some way to help your team understand their own working dynamics?

Do you want your team members to learn about themselves and others in a fun and practical learning environment?

Are teamwork, innovation, creativity, leadership and relationship skills important to your business?

---

PeopleTeamsLeaders Pty Ltd tailors suitable individual or group MBTI® sessions to meet any organisation's needs. It is a small business development company, that help organisations develop their leaders, managers and supervisors. Check out what else People Teams Leaders Pty Ltd has got going on, including their regular free materials at [www.peopleteamsleaders.com](http://www.peopleteamsleaders.com). Ric Leahy is accredited by Australian Psychologists Press to administer the MBTI® Step 1 and the Step 2 Expanded Interpretive Report.

---

A PeopleTeamsLeaders Pty Ltd's MBTI® activity:

- \* Achieves **measurable increases in productivity** by enhancing the existing communication and interpersonal skills of the team members.
- \* Provides the psychological theory behind personality type **allowing individuals to understand themselves and others** in a meaningful way.
- \* Provides a practical and experiential learning environment that allows **effective knowledge acquisition** by being fun and memorable.

A number of organisations have already benefited from running MBTI® activities. Contact us to find out how your organisation can benefit today.
